Short Description of the Organisation and the Faculty/Dept./School/Centre	<p> The College of Arts, Celtic Studies and Social Sciences is comprised of 11 Schools (Applied Psychology; Applied Social Studies; Asian Studies; Education; English; Geography and Archaeology; History; Irish Learning; Languages, Literatures and Cultures; Music and Theatre; Sociology and Philosophy) and two disciplines (Classic and Politics). Research in the College is often multidisciplinary in nature and this is reflected in the number of centres and institutes that promote interdisciplinary perspectives and approaches in the College, including ISS21, a research institute in the social sciences. </p> <p> The College offers the possibility of working in an environment with comprehensive coverage of subjects in the humanities and social sciences and aims to provide a range of supports to individuals seeking to consolidate and extend their profiles as individual researchers </p>	

Short Description of the Research Project/Topic	The College of Arts, Celtic Studies and Social Sciences will facilitate a good match between the research interests of the host Principal Investigator and high quality IF applicants and will assist with the preparation of high-quality proposals to maximise the probability of success.
Expertise required by the applicant	Applicants should check MSCA Individual Fellowship guide for applicants to ensure eligibility under MSCA rules. Proficiency in English is essential for all applicants.
Career development support offered to fellows	<p>In 2013, University College Cork gained the <i>HR Excellence in Research</i> Award in recognition of the University's on-going commitment to adopting the principles of <u>The European Charter for Researchers</u> and a <u>Code of Conduct for the Recruitment of Researchers</u>.</p> <p>The award recognises the progress which has been made in support of researchers in the University, including the implementation of the University <u>Employment and Career Management Structure for Researchers</u>.</p> <p>The University has a dedicated <u>HR Research Team</u> and provides <u>a range of supports</u> for researchers including: <u>a suite of training courses</u>, <u>professional development</u>, <u>career management and advice and information supports</u>.</p>
Application procedure	Applicants should send a (max 5 page) CV and a letter outlining their research interests, research experience and expertise and brief outline of Project Idea
Contact Person	Applicants should contact the CACSSS Research Officer allen.white@ucc.ie in the first instance
