

**School of Business
Maynooth University**
<https://www.maynoothuniversity.ie/school-business>

Maynooth University School of Business is looking to host an experienced researcher via funding through [Marie Skłodowska-Curie Individual Fellowships](#). In order to secure funding, the experienced researcher must develop a proposal with the host for the September 12th 2018 deadline.

Company Description

Maynooth University School of Business supports excellent research that aims to make a difference, including a focus on under-explored populations in business and management studies.

Project idea and researcher opportunities *Research Field:* Social and Human Sciences SOC

The research project would explore themes on the “future of work” and/or “international (skilled) migrant careers” in Human Resource Management/Organisation Theory, such as work/career values, work centrality, job/career crafting. The fellow will work with an experienced academic researcher in the School of Business, and be able to avail of the interdisciplinary network of researchers at the Maynooth University Social Science Institute (MU SSI).

Researcher Requirements

- The researcher must fulfil the MSCA-IF mobility and experienced researcher requirements.¹
- Strong writing, communications and analytical skills (in academic English).
- Experience of publishing in highly-ranked ABS peer-reviewed publications.
- Interest in inter-disciplinary perspectives; willingness to consider multi-level analyses and novel concepts/lenses to better understand phenomena.
- Openness to conduct both qualitative and quantitative research.
- Familiarity with research software, e.g. SPSS, MaxQDA.

Contact information: If you are interested in applying for a MSCA-IF with Maynooth University School of Business please contact Dr Marian Crowley-Henry, marian.crowleyhenry@mu.ie

<https://www.maynoothuniversity.ie/school-business/our-people/marian-crowley-henry>

¹ **MSCA-IF mobility:** The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 12 months in the 3 years immediately before the call September 12th deadline (flexible 36 months in the 5 previous years if eligible for career restart or reintegration fellowship <https://www.iaa.ie/irish-marie-curie-office/funding-calls/individual-fellowships/>)

Experienced researcher requirements: The researcher must have at least 4-years full time research experience or hold a doctorate before the September 12th deadline.
