The Centre for the Integration of Research, Teaching and Learning (CIRTl) is looking to host an experienced researcher via funding through Marie Skłodowska-Curie Individual Fellowships. In order to secure funding, the experienced researcher must develop a proposal with the host for the September 12<sup>th</sup> 2018 deadline.

### **Description**

CIRTl is one of the earliest Centre's in Ireland dedicated to continuous professional development in teaching and learning for staff in higher education. CIRTl coordinates activities such as certified programmes for staff and students in Teaching and Learning in Higher Education, and residential professional development courses for international faculty.

CIRTl has a strong research profile and demonstrates academic leadership in the scholarship of teaching and learning. The Centre produces high quality research with regularly published output in leading national and international academic journals and texts. CIRTl are currently a partner on three Erasmus+ Capacity Building projects, and are host to an ASSISTID Marie Curie Fellow. The CIRTl team have research interests in a broad range of themes related to higher education, including:

- The scholarship of teaching and learning;
- Staff professional development in teaching and learning in higher education;
- Community based research and learning;
- Teaching and learning spaces;
- Active learning approaches;
- Embedding undergraduate research in the curriculum;
- Universal design for learning;
- Arts based approaches to teaching and learning;
- Disciplinary identity.

### **Project idea and researcher opportunities**

*Research Field:* *Social and Human Sciences SOC*. Applications are welcome in all areas of research on Teaching and Learning in Higher Education, particularly in the areas of expertise outlined above.

### **Researcher Requirements**

The researcher must fulfil the MSCA-IF mobility and experienced researcher requirements.<sup>1</sup>

### **Contact information**

Please contact Dr Laura Lee, CIRTl Research Support Officer, [l.lee@ucc.ie](mailto:l.lee@ucc.ie).

---

<sup>1</sup> **MSCA-IF mobility:** The researcher must not have resided or carried out the main activity (work, studies, etc.) in the country of the beneficiary for more than 12 months in the 3 years immediately before the call September 12<sup>th</sup> deadline (flexible 36 months in the 5 years if eligible for career restart or reintegration fellowship <https://www.iaa.ie/irish-marie-curie-office/funding-calls/individual-fellowships/>)

**Experienced researcher requirements:** The researcher must have at least 4-years full time research experience or hold a doctorate before the September 12<sup>th</sup> deadline.
